SOLID WASTE FACILITY PERMIT

13-AA-012

FACILITY NAME

Picacho Cut and Fill Site

OPERATOR

County of Imperial - Department of Public Works

FACILITY LOCATION

Picacho Road Between Winterhaven and Picacho State Park

PROPOSED

SSWMB APPROVAL

2/28/80

ENFORCEMENT AGENCY APPROVAL

FINDINGS

1. This facility is an existing since prior to August 15, 1977 40 acre Class II sanitary landfill, site life is expected to be 50+ years. The trench method of operation is utilized. The facility is located at Picacho Road between Winterhaven and Picacho State Park. The disposal site receives 15 tons per day. The site is open 24 hours a day 7 days a week. A temporary (CETA) site attendant is present at the site 7:30 AM - 5:30 PM seven days a week. A D-5 dozer for use at this site stationed at the Bard District I Road Station located 6 miles away from the sites. Permitted salvage operations are conducted. Types of wastes received at the site include:
 - a. Residential refuse.
 - b. Tires.
 - c. Empty pesticide containers upon certification by the County Agricultural commissioner that they have been triple rinsed and punctured prior to being transported to the site where they are placed in a separate fenced trench.
2. Design and operation of this facility are as specified by the Report of Disposal Site Information dated August 15, 1977; that which pertains to the period immediately prior to August 15, 1977 is hereby made a part of this finding. There are no proposed significant changes in design or operation.
3. Land within 1,000 feet of the site is zoned "S" open space.
4. This facility's design and operation are currently in substantial compliance with State Minimum Standards as determined by physical inspection made on November 28, 1979.
5. This permit is consistent with the Imperial County Solid Waste Management plan and with the State Minimum Standards for Solid Waste Handling and Disposal. This permit is granted solely to the operator named above, and is not transferable. Upon a change of operator, this permit is subject to revocation. Upon a significant change in design or operation from that described in this permit or in attachments thereto for the existing design and operation of a facility operating immediately prior to August 15, 1977, or from the approved intended design and operation of a facility which was not operating prior to August 15, 1977, or which herein is granted a permit modification, this permit is subject to revocation, suspension, modification or other appropriate action.

This permit does not authorize the operation of any facility contrary to the State Minimum Standards for Solid Waste Handling and Disposal. This permit cannot be considered as permission to violate existing laws, ordinances, regulations, or statutes of other government agencies.

ENFORCEMENT AGENCY

Imperial County Health Department - Division of Environmental Quality Control

BY (SIGNATURE)

TYPED NAME

L. Lee Cottrell, M.D., William Y. Hsu, Direct

TITLE

Health Officer, Director of Environmental Quality Control
